

**Indo Science Academy™**  
...The Career Compass

# ZENITH PROGRAMME

**Two Years Course  
for XI & XII (CBSE)**

We deserve because we do. ISA is here

## Why 'ZENITH'?

Without a long preface, we can say that a choice can change life and a right choice can change life significantly bringing fulfilment to all our dreams and aspirations. Students, during Class XI and XII, sometimes find themselves on the crossroads while choosing a career. **ZENITH**, at this hour, stands by the students' side as a career compass showing clear directions, helping in settling goals and providing exclusive integrated teaching by experts, scientific study materials and tests. The career options like Engineering, Medical, Research, Education, Defence etc are lucrative for all times. Here in ISA, we have kept the platform ready for the young aspirants.

**ZENITH** is our specially engineered programme of 'advanced classes' to jack up the confidence level to crack different national levels entrance tests like **AIIMS, NEET, IIT-JEE, AIEEA, NISER, IISER, NDA** etc. The programme aims at giving conceptual clarity for command over all subjects and preparing the students for superlative success in Board & Entrance Examinations simultaneously.
